Professional Experience and Curriculum Vitae
'Webbuzz is a leading ‘growth marketing agency’ based in Sydney. We’re obsessively focused on your growth, almost everything we do is measurable and reportable, our directors are seasoned entrepreneurs with tech start-up experience. Webbuzz is a team of elite digital strategists, designers, developers, content creators, and analysts who love what we do. We think of ourselves as ‘digital alchemists’, we blend art (creativity) and science (data) to grow sales and revenue for our clients. Our team has worked in small businesses, corporates, and start-ups across multiple industries. We know the challenges you face, and understand your appreciation of value for money.
