Professional Experience and Curriculum Vitae

20 things about me.

1. My wife has a subscription to US Weekly magazine that is suspiciously addressed to me.
2. I once held a Greek Amphora worth \$36 million.
3. In college I worked as both a certified pipe welder and a cook at an Italian restaurant.
4. My first job in NYC was working on a 50 ft stainless steel tree by Roxy Paine that we installed in Central Park. Yes, I know Roxy's real name.
5. KEXP is my favorite internet radio station.
6. Whenever I see a heads-up penny on the ground I pick it up for good luck. If it's tails-up I turn it over and leave it so that someone else can find the good luck.
7. If I wasn't a photographer, I would most likely be building furniture or be a park ranger. I love the outdoors and also love working with my hands.
8. I grew up in Austin, TX.
9. My first car was a 1984 Ford Mustang GT 5.0, it was fast. My second car was a 1980 International Scout II, it was not fast but would go anywhere. I still have a Scout II.
10. My two favorite books are The Stranger by Albert Camus and The Alchemist by Paulo Coelho but mostly I read non-fiction.
11. When I was 17, I worked as a welder building giant underground gas tanks. I bought my first camera from a co-worker there.
12. History and science were always my favorite subjects in school.
13. I'm very serious about my iced tea and will go to extremes to make it perfect.
14. I try to follow the boy scout motto to "be prepared." Yes, I was a boy scout.
15. I've been to 41 of 50 states and have lived in 7.
16. I brew my own kombucha.
17. I bike 10 miles to work.
18. I love watching Ken Burns documentaries. My favorite is Horatio's Drive: America's First Road Trip.
19. I love road trips.
20. I am most proud of my daughter.
