Professional Experience and Curriculum Vitae

Wing's Art and Design Studio is my small studio space near Bristol where I create hand-drawn and digital artwork for posters, comics, books, magazines, toys, and advertising clients around the world. With 15 years of experience in the industry I have worked with clients ranging from children's toy manufacturers to burlesque troupes and have also been featured in several magazines and books about contemporary illustration. Starting my career working for a children's book publisher in Bath, UK, I developed a flexible style that retains it's routes in traditional brush, pen and ink and is suitable for many applications from comic books to gig posters to beauty products. When not illustrating for clients I create my own alternative movie posters and cartoons which have attracted attention from websites such as The Poster Collective, Illustration Age and Creative Boom.

Previous Clientele
Livin' Over Board, Las Iguanas, Kiddimoto Ltd, The Dollface Dames, The Steady Rollin' Revue, Oxfam, Costa Coffee, E3 Media, Mobile Pie, Team Pixie, Net Minded, World of Golf, Small World News Service, Aardvark Creative, Double Art, Design Simple.
