Professional Experience and Curriculum Vitae

Zen Studio is a visual communication studio specializing in logo, identity, branding, webdesign and printed communication. We are based in Sofia, Bulgaria. We create in Bulgarian, English, French and German.

Previous Clientele

Our customers range from start-ups to multinational companies in various industries. We enjoy long collaboration with Schneider Electric (electrical equipment), Renault (automotive), Fetish (fashion), NMDF (public), Industrial Parts (water), Etem (construction).

Awards and Accolades

Zen Studio was created in 2005. Our focus is on corporate communication.

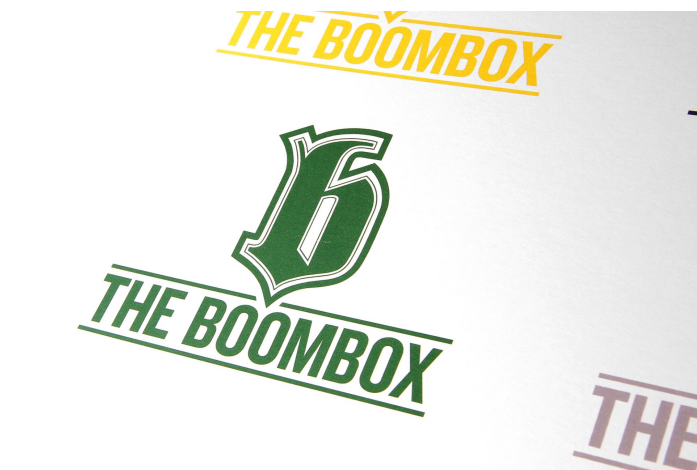

Awards and Accolades

As a studio or individually we have participated in local and international design exhibitions - Sofia Design Week, International Poster Festival (Chaumont, France), etc.
