Professional Experience and Curriculum Vitae

Art and design. I create and show as much as possible in New York City. 2010 has been a busy year, with the ADC show to the Times Square Renew project, entrant, to the NYC buildings entrant for painting on scaffolding, boutiques to show Piquai Jewels latest work, and gallery shows for more paintings, and a new gallery for the new year. This holiday you can visit The Path Cafe and Gallery, for a delightful group show and see some of my summer Hudson River Memories, these are bright and warm to keep you warm through the cold winter.
