Professional Experience and Curriculum Vitae
Alexander Popelier graduated with an honourable announcement as a Master in Graphic Design at the Royal Academy, Ghent. During his final college year, he mainly kept himself busy with photography and decided to make it his profession. Everyone in his surroundings will confirm that it is especially his ambitious enthusiasm that makes him likable. Dance, portrait and fashion photography interests him the most. The kick of catching the right movement at the right moment, the emotions naturally released and the tension of a spontaneous pose; that is what he aims at..
