Professional Experience and Curriculum Vitae

ALFONSO ZUBIAGA
Guecho, Vizcaya, Spain.1958.

Starts taking pictures in 1973. After licensing in Economics, he goes to London in 1983, where he works as a photographer for EL PAIS, DIARIO 16, VIAJAR, and for the filmes "Greystoke" (Hugh Hudson) and "Indiana Jones and The Temple of Doom" (Steven Spielberg).

He moves to Madrid in 1985, where he opens a studio and collaborates with the main advertising agencies and publishers as goes on with his artistic work.

Profesor of Master Internacional Conceptual & Artistic Photography EFTI , Madrid since 2006

My photography is an exercise that explores the growing interest in contemporary art around the construction and deconstruction of reality.

Photography allows us to create with the existing reality visual illusions formed with elements of reality and compose other realities.
